BREAD COMPANY

Boulevard Bread Company, founded in 1999, is dedicated to the art and craft of preparing world-class cuisine, artisan breads, European-style pastries, and authentic Italian-style coffee. We use only the best organic, seasonal, and locally grown products to support this endeavor. In addition, Boulevard Bread Company is committed to providing hard-to-find gourmet pantry items, artisan cheese, olives, and charcuterie to our customers.

Green is the Goal! Boulevard Bread Company is committed to being a "low-impact," environmentally friendly business! Toward that end, we buy everything from local sources when possible and support local farmers and sustainable agriculture. Most of our disposables are made from corn or potato by-products that are biodegradable and compostable. Our coffee is 100% fair trade and organic, we use earth-friendly cleaners, and we recycle glass, cardboard, aluminum, and plastics. Let's work together as a community to protect our land and our future!
