Bienvenidos to Rolando's Restaurante in the beautiful downtown historic district of Fort Smith. This building dates back to the early 1850's and has been the home of many businesses from taverns to antique stores.

Rolando's was the inspired creation of partners, Rolando and Sherri Cuzco. Rolando, a native of Ecuador and Sherri from Southwest Arkansas, combined their unique backgrounds to produce the exciting food of Latin America in a setting of southern hospitality.

The cuisine at Rolando's is unique and his artistic talent is found in the beautiful presentation of the entrees as well as the golden walls of the restaurant. The murals on the wall were hand carved by Rolando himself from the crumbling plaster to give diners this pleasant atmosphere.

Rolando and Sherri appreciate every customer that comes in Rolando's Restaurante. Muchas gracias for making Rolando's a reality.
